The music is included in the independent film *Where Were You*, which will be screened at the **2nd Annual Mystic Film Festival** on Sunday, October 6 at 1pm in Mystic, Connecticut. "We are all very excited to be included in this project and hear the music in the movie," said **Carl Paradise**, who produced the compilation album for the new film and co-wrote two new songs. The EP is available online via Google Play Music, Apple Music, Amazon Music, Spotify, Pandora, Shazam, 7Digital, and TIDAL. (Go to <https://akubot.com/music> for more info and store links.)

Remembering 9/11

The latest film by Writer/Director **Rob Levinson** is a dramatic story about one woman's fight for survival, and the challenge of a self-absorbed radio host to make a pivotal change – one which may cost him everything. What unravels in real time are the visceral reactions to events that unfolded within a New York minute.

Soundtrack EP Includes Music by *Pride of Lions* Featuring *Toby Hitchcock*

The soundtrack album contains five songs, including "Stand By You", performed by *Pride of Lions* and features lead vocals by **Toby Hitchcock**. Hitchcock co-wrote the song with Jim Peterik, the co-writer of the Grammy-winning song "Eye of the Tiger" by the band **Survivor**. Peterik is also known for collaborating with many top-tier musicians (including **Brian Wilson** of the **Beach Boys**) and the band **38 Special**.

Other tracks include "Time Going Bye Bye" written by rocker **Alex Hirsch**, and two new songs ("Your Face" and "You're Still Here") by the songwriting team of **Archie Brodsky, Carl Paradise, and Vicki Rowland**. Boston area singer **Tiffany White-Ells** is the lead vocalist for those three tracks. Rhode Island singer-songwriter **Lauren King** wrote and performed "Stay On The Line" for the soundtrack, recorded at **Lakewest Recording** by **Jack Gauthier**.

The album was mastered at **Peerless Mastering** in Boston by the Grammy-nominated team of **Jeff Lipton** and **Maria Rice** (with assistant engineer **Mike Mariani**).
